

JENNIE BELLINGER, C.P.C.

The Level Up Coach

Jennie Bellinger is a talented, entertaining and dynamic coach and public speaker, helping her clients in direct sales to create businesses that exceed their financial goals and allow them to dream bigger dreams. She has been coaching in direct sales for over 6 years and training for over 10 years. Jennie started her adult life as a middle school science teacher, became a stay at home mom and started a direct sales business and became internationally recognized at her company within two years. She realized that she absolutely loved helping people promote to reach their goals,

whether they were on her team or not. She pursued coaching certification and has built a coaching and speaking business to help direct sales professionals grow into their goals.

JENNIE'S MOST POPULAR MEDIA TOPICS

✓ WHY SELLING SUCKS... AND HOW YOU CAN MAKE MONEY NOT SELLING

Nobody wants to be sold to, but everyone loves to buy. Using NLP techniques, sales professionals can become problem solvers that customers want to buy from..

✓ WHY TEAM BUILDING IS ACTUALLY COSTING YOU MONEY

Did you know that when you convert a customer to a team member, you are likely losing more money than you'll ever make on them? Focus on recruiting the right people to grow your team and make more money.

✓ LEADING FOR LEGACY

Ask these three questions to determine if you have what it takes to be the leader they need to succeed.

Value add for the audiences - Research posted on the FTC website indicates by five years, 90% of direct sales reps have quit. Jennie's effective methods and personable relation will help your audience gain a new perspective on how to be successful in direct sales.

PRAISE

"My confidence is way up and I'm finding it easier to stay focused on my goals. It was definitely worth both the time and the money and I'm really looking forward to learning more from her."—**Sue T.**

"She helped me think about how I was presenting myself through my body language and the tone of my voice when I was speaking! She talked us through different ways to communicate and present ourselves in a better way."—**Pam D.**
